Excelsior Vision

All our schools to be outstanding and beacons of equality, from where pupils aspire and succeed in a safe, innovative, vibrant learning community.

Dear Parents and Carers,

We have been so proud of our pupils in Year 6 and Year 2 this week. They have been taking part in the national statutory tests and whilst we will not know the outcome until the end of the summer term we do know that all the pupils have shown resilience and perseverance and have therefore been able to do their very best.

The testing period for Year 2 continues next week and writing is the next focus for not just the end of Key Stages but for all children across the school. Keep up your hard work.

Green Meadow values home school links and promotes as many opportunities as possible to establish and maintain positive relationships with you. Please see your child's class teacher or any Senior Leader if you have any questions or queries about your child. Contacting school on an individual basis about your child or anything to do with on-going developments is the most effective way to get the best outcomes for the pupils of Green Meadow. There is always a senior leader on the playgrounds before school each day so you can catch us during this time to arrange a convenient opportunity to talk about your child(ren) or you can ring the school office to arrange a mutually convenient time to meet.

Thank you for your support in this matter.

Yours sincerely,
Miss Setchell

Weekly whole school attendance was 95.48%

Congratulations, to class RG who are this week's best attenders with 100 % attendance. It is pleasing to see there has been a slight improvement in both the whole school attendance and lates recorded but it's disappointing to see that there are still 6 classes below 96% and 18 lates have been recorded this week.

Congratulations to year 6, 1J and 5B who have not recorded any lates this past week, well done!! Thank you to those parents who got their children to school on time every day ready for their learning. A reminder to all parents that children should be in school on time, ready to learn, at 8:55 am. Doors open at 8:45 am. Let's see if there can be a continued improvement in both attendance and lates in the coming weeks to ensure that the overall attendance improves.
