

Celebrating Learning

Friday, 28th September 2018

Dear Parents and Carers,

Throughout the year, one of the ways that you will be able to celebrate your child's learning with them will be in class assemblies. We know how much you enjoy sharing what classes have been learning about in their topics and the children love sharing this with you too! Please make a note in your diaries of the dates below so that you are able to join us at school to discover all of the exciting things your child has been learning!

Thank you for your support,

Miss Arrowsmith
